

Privacy policy

Thank you for visiting the www.grill-impex.com.pl website (hereinafter referred to as "Website"). We make every effort to make using the Website convenient and safe for you. This document ("Privacy Policy") explains the principles we follow in the field of cookies used in our Website and in relation to the personal data of recipients of services available through the Website.

COOKIES AND SYSTEM LOGS

1. What are cookies?

Cookies are IT data, in particular small text files that are saved on the end device (computer) of a website user while using it from this website and then stored there. The next time you connect to this site, cookies can be read by the user's computer and can be used to customize the page to the user's preferences and for statistical purposes.

2. What does the Website use the cookies for?

We use cookies to provide you with the most efficient and comfortable functioning of the Website (thanks to which the Website "remembers" eg settings of individual users, such as language or font size). In addition, we use these files to create anonymous statistics that help us understand how you use the Website, which helps us to develop and optimize it. Cookies used by the Website are safe for users' computers and devices, in particular it is impossible for them to get viruses or other unwanted or malicious software onto the device.

3. What cookies does the Website use?

W serwisie wykorzystujemy następujące rodzaje plików cookies:

_utma - plik zapisywany na dysku komputera podczas pierwszych odwiedzin w danej witrynie. Plik zawiera unikalny numer identyfikacyjny, za pomocą którego narzędzie analityczne potrafi określić unikalnego i nowego użytkownika;

_utmb - plik cookie _utmb jest odpowiedzialny za przechowywanie informacji na temat danej wizyty;

_utmz - plik cookie współpracujący z _utmb, którego zadaniem jest ustalenie, czy należy rozpocząć śledzenie nowych odwiedzin, czy też zbierane dane powinny zostać zaliczone do istniejących odwiedzin;

_utmz - plik cookie zawierający informację na temat źródeł odwiedzin. Dzięki niemu możliwe jest policzenie m.in. odwiedzin z wyszukiwarek;

Bd - plik cookie utrzymujący identyfikator bieżącej sesji pomiędzy serwerem, na którym zainstalowana jest strona a urządzeniem użytkownika, za pośrednictwem którego komunikuje się on z serwerem i ze stroną.

1. How to change the settings of your web browser regarding cookies?

By default, web browsers allow the storage of cookies on the user's end device. However, at any time you can change these settings until you have completely blocked cookies. In this case, the use of the Website will still be possible, but some of its functions may not work correctly. If you do not change your browser settings, you agree to post and store cookies on your device that are used on the Website and to obtain access to them by the Website.

Below we present how you can change settings in the most popular internet browsers:

Google Chrome

Click on the menu (in the upper right corner), Settings tab> Show advanced settings. In the "Privacy" section, click the Content settings button. In the "Cookies" section, you can change the following cookie settings:

- Deleting cookies;
- Default blocking of Cookie files;
- Default allowing cookies;
- Default saving of Cookie files and data pages to close the browser;
- Specifying exceptions for cookies from specific sites or domains.

Internet Explorer 8.0

From the browser menu (upper right corner): Tools> Internet Options> Privacy, Sites button. Use the slider to set the level, change the change with the OK button.

Mozilla Firefox

From the browser menu: Tools> Options> Privacy. Activate the field Firefox: "will use user settings". The cookies decide whether to tick the cookie or not accept the cookies.

Opera.

From the browser menu: Tool> Preferences> Advanced. The cookies are decided by the selection of cookies or not.

Safari

In the Safari drop-down menu, select Preferences and click the Security icon. This is where you choose the security level in the "Accept cookies" area.

2. Logi systemowe

Regardless of the cookie files, the Website automatically saves information on each of your visits to your servers, which are transmitted to us via web browsers. This information is saved in the form of logs containing:

- the website from which you enter our website;
- IP address;
- date and time of access;
- the amount of data transferred;
- information about the browser and operating system used

This information is used in particular to manage the Website, recognize server problems and solve them, analyze possible security breaches on the Website, as well as for statistical purposes. This information is not linked to personal data of Website users.

Changes to the privacy policy

We reserve the right to amend these rules if the need or obligation to make such changes is caused by further development, technological progress or changes in applicable laws. In this case, the information about the introduction of changes and the new text of the Policy will be made available immediately on the Website.
